

Dear Fellow Classmates

We are on our way to our long awaited 40th Class Reunion and we are looking forward to a great evening. Based on feed back from many classmates we have spoken to we believe we will have a record turn out. We have planned for cocktails and food and our own Perry Hoisington (Class of '64), the former drummer of "The Roaches" as our DJ. The location is in a casual but elegant environment (<http://waterfordreceptions.com/>) in hopes of encouraging fun, laughter and re-acquainting with old friends. We have negotiated what we believe is a fair price for the evening based on local pricing and providing the atmosphere that will accommodate us all in a manner that will encourage us all to be there. You will also find great rates that have been negotiated in the surrounding hotels. If you know of anyone outside of our class that would like to join us please forward the information on to them. Every one is welcome to attend.

The committee has spent many hours trying to locate all of our classmates and we have information for a record number. Unfortunately, we have been unable to find some. Please take a look at the list of "Missing". If you have any information about any of them we would greatly appreciate your assistance in locating these people. We do not want to leave anyone out. You may either send the reunion information on to them and/or ask them to contact us and we will send it.

We have created a group mail site (<http://groups.yahoo.com/group/LeeHigh1967/>) for our class so please make sure to register there as well. We plan to keep the participants limited to our class. We will be sending you an email invitation to join the group and once you have done so you will be able to check regularly for additional details of the Reunion. We are hoping to gather memorabilia to display at the Reunion, so if you have anything to share, please let us know. Photo's (copies please) will be fun to display and post on our group website (with permission), as well as other items from that era. We also plan to put together a directory for those who would like to share their contact information with others. Should you be interested in doing so please complete the below waiver and return the form with the information you would like to share.

Please RSVP early so we can be sure to have a large enough room for the group. Our class has no cash flow from previous reunions therefore registration at your earliest convenience would be appreciated to off set the need for deposits and up front costs.

We are really looking forward to October 20th and hope to see **ALL** of you there to join in the fun time, renew friendships, and catch up on the last 40 years. **It's a 'must come' event !!**
